Dear Families

Mathletics

We no longer have access to Mathletics. After discussions with each class and looking at the number of children who regularly log in and use Mathletics, very few children were accessing this resource.

Our Maths homework will continue to consist of a task linked to current learning or revisiting previous learning and Times Table Rockstars.

If your child enjoys accessing Maths online, below is a list of free educational websites which your child may wish to use.

<https://www.mathsgenie.co.uk/> (Y5/6) - this website has past SAT papers in addition to questions linked to different Maths strands.
