

Dear Parents,

We are delighted to be visiting your child's school to share our **Jungle Survival Day** with your children and their friends.

Team Challenge Adventures Jungle Survival Day offers your child a unique opportunity to enjoy team building, problem solving activities that will be fun and challenging, while encouraging an appreciation of the great outdoors, and a love of adventure. He/she will be transported to a deserted part of the Amazon Rainforest Jungle close to Machu Picchu in the sacred Valley of the Incas to search for an object which is supposed to have magical powers. Will they uncover the mysterious object?

### Some final Information

- ❖ We would ask that the children wear old clothes and sensible footwear for the day as they could get wet and muddy!
- ❖ We would like the opportunity to take photos of the children on the day but will take instruction from the teacher in charge on the day regarding your consent.

We hope the children are as excited as we are!

Yours Sincerely,

Kevin Foster & Heather Simpson
