How can you help?

- Help children not to feel worried or pressured about SATS. All that is asked is that they try their best, but please reassure children that the SATS should not be causing anxiety. Do give lots of praise and encouragement!
- Please ensure that your child is in school every day during SATs week.
- Ensure that they are in school on time
- If your child is ill, let us know immediately.

Key Stage Two SATs Secondary Schools

- As well as your child's SATs results, secondary schools also require teacher assessment.
- Teacher assessment draws together everything the teacher or teachers know about a child, including observations, marked work and school assessments.
- Teacher assessment is not a 'snapshot' like tests and is therefore more reliable.
- There can be a difference between teacher assessment results and test levels.

Key Stage Two SATs

- Listen to what we say;
- We are both cheering you on and want you to do your best;
- Make sure you get plenty of sleep and stay well fed – sleep and food help keep the brain moving;
- Read the questions carefully. This can help to avoid any silly mistakes!
- Don't worry if there's something you can't answer. Take a deep breath! You can always move on and go back later but it's better to write something rather than nothing;
- Keep in mind year 6 SATs are just one week of your entire life!
