

27 January 2023

Dear Families

Positive Relationship Policy

We have reviewed our Behaviour Policy in line with current educational research and we are commencing consultation on a new policy. A draft copy of the Positive Relationship Policy will be available on our school website next week for you to view under 'Positive Relationship Consultation' on our homepage.

In addition to consultation with children and governors, parents are welcome to come to a short consultation meeting on **Monday 6 February at 9am** where I will be able to discuss the draft policy, answer questions and listen to any views or feedback you may have. There will also be tea and coffee available during the meeting. If you are unable to attend the consultation meeting and wish to share your thoughts, please do so via the school office email address or a Microsoft Forms link which will be sent via text during the consultation period. The consultation will run until **Friday 17 February**.

Yours sincerely

Mrs Binney
