

4 October 2022

Dear Families

History Old and New Toys Parent Questionnaire

In our current history topic, we are learning about toys from the past. The children will be looking at toys that their parents played with. To make the learning personalised for them, I have created a list of questions to share and answer at home. I would be very grateful if you could spend some time talking about your toy experiences with your child. The answers can be scribed by an adult.

Please return to school by **Wednesday 12 October** so that they can be shared in class. If you would like to, please feel free to send in photographs, videos or toys that we can also share.

If you would like to join us on 13 October to talk to the class about toys that you played with, please let Miss Cowan/Miss Salter or the school office know by **Friday 7 October**.

Yours sincerely

E. Salter
