Y2 Homework

Spelling homework for a spelling quiz each Friday

Reading – It is important that children read daily at home as this will help develop your child's fluency. Please ask your child questions about what they have read to check their understanding. Class teachers can provide questions examples if you are unsure what to ask. Please make sure that reads are recorded in the reading journals. Reading journals are expected to be in school daily but will be checked every Wednesday along with their home learning.

Mathletics – Optional. 2 Mathletic tasks will be set each week linked to current or prior learning. This will start after half term.

TT Rockstars – This will begin after half term.

KS1 SATs

KS1 SATS take place in May 2023 and consist of the following:

- 2 Reading papers
- 2 Maths papers (arithmetic and reasoning)
- A spelling, punctuation and grammar paper.

We ensure that SATS are not a stressful time for KS1 pupils.

We will provide further information on the SATS later in the year but you can see past papers and example questions here:

<https://www.gov.uk/government/publications/key-stage-1-tests-2019-mathematics-test-materials>

Breaktime

Healthy Eating

Free fruit is provided for children daily to have at break time but your child may want to bring their own healthy snack.

Nut Allergies

Please note we have children with severe allergic reactions to nuts presently attending St Charles'. We therefore ask all parents to ensure no nuts or nut products are included in lunch boxes or as break time snacks.

Water

Please ensure your child brings in a named bottle of water for use in the classroom.

Attendance

Regular attendance and punctuality are vital for good progress and we expect all children's attendance to be 97% and above.

Attendance is shown as a percentage figure and we have detailed research below that shows how attendance, even at this early stage of education, affects outcomes for children at GCSE. We hope the tables below illustrate for you the importance of good attendance; this includes avoiding taking holidays during term time.

If your child had less than 97% attendance, we would urge you to ensure their attendance improves this year.

How Attendance affects GCSE Achievement	
% attendance	Percentage achieving 5 A*-C GCSEs
100 – 93.5%	74.3%
93.4 – 92.5%	60.4%
92.4 – 91.5%	53.1%
91.4 – 90%	44.6%
89.9 – 88%	34.7%
Less than 88%	26.7%

Supporting Your Child in Year 2

Ensure your child has the best possible attendance at school and is at school on time.

Support your child with any homework tasks and hear your child read daily.

Talk to your child about what they have learnt at school and what books they are reading.

Make sure your child has a good sleep each night and a healthy breakfast every morning.

Online Safety

We use Netsweeper to protect children when they use the internet in school.

Use of the schools internet is monitored fortnightly by members of the senior leadership team.

Further information can be found on the school website – Parents – Online Safety.
