Dear Families

Bikeability

In Autumn term, St. Charles' will have The Road Safety Team in school to deliver Bikeability sessions. The dates for these sessions are outlined below:

Year Group	Date	Level	Location	Length of Time
Year 4	Thursday 8 September	Level 1	School Yard	Half Day
Year 5	Friday 30 September Monday 3 October	Level 2	Inside and outside the school grounds (close proximity to school)	2 Full Days

To take part in these sessions, children must be able to ride a bike. The Road Safety Team define this as riding a bike without stabilisers, being able to start and stop, and riding for a minute or more alone. Your child must also have access to a bike and a helmet.

If your child cannot do this yet, we have arranged an extra **Learn to Ride** session on **Friday 23 September** (cycle training for children who cannot ride without stabilisers).

Please complete the slip below **only** if your child **cannot ride a bike** or **will not have access to a bike/helmet** for any of their sessions. If you have any further questions or concerns, please contact the school office.

Kind regards

Mrs Binney
