Dear Families

Summer Term Careers Week

We are hoping to arrange a **Careers Week** in school in summer term where the children can learn and be inspired about a range of jobs and careers that are on offer. This week will hopefully enthuse the children to learn about the career paths that are available to them and how the subjects we study in school directly apply to the career paths that they may choose to follow. To do this, we need your help!

If you are willing to come into school to talk about your job with the children, please email office@stcharlesprimary.uk. It would be fantastic to have a broad range of careers for the children to learn more about.

We will accommodate any time that you can offer.

Thank you in advance.

Yours sincerely

Miss Thomas
Year 6 Teacher
