

Dear Parents,

We are delighted to be visiting your child's school to share our **Combat Survival Day** with your children and their friends.

Team Challenge Adventures Combat Survival Day offers your child a unique opportunity to enjoy team building, problem solving activities that will be fun and challenging, while encouraging an appreciation of the great outdoors, and a love of adventure. He/she will be soldiers, taking part in a race to free their Major General who is being held in a remote prison. Which squadron will be the victors and lead the General to safety?

Some final Information

- ❖ We would ask that the children wear old clothes and sensible footwear for the day as they could get wet and muddy!
- ❖ We would like the opportunity to take photos of the children on the day but will take instruction from the teacher in charge on the day regarding your consent.

We hope the children are as excited as we are!

Yours Sincerely,

Kevin Foster & Heather Simpson
