

2 March 2023

Dear Families

### **Discovery Museum Visit**

On **Monday 17 April** Year 5 will be visiting the Discovery Museum. This educational visit will provide children with opportunities to develop their understanding of Forces, which we are learning about in Science this term. On the visit, the children will explore the museum and complete a workshop entitled *Rocket Car Racers - Forces in Motion*.

We will leave school at 10am and will return to school by 3pm. As we will be travelling by Metro, please ensure your child is in school on time. Children must wear full school uniform and an appropriate jacket for the weather conditions on the day.

A packed lunch and a bottle of water will be needed for this visit (no glass bottles). If your child receives Free School Meals and would like school to provide a packed lunch for your child, please contact Mrs Phillips or Mrs Ambrose in the school office by **Monday 27 March**.

We need 3 parent volunteers to accompany us on this trip. If you are available to help, I would be grateful if you could contact the school office no later than 3pm on **Friday 24 March**. If we are over-subscribed for volunteers, names will be drawn out of a hat to allow the process to be fair for all interested parties.

We ask for a voluntary contribution of **£3.00** per child towards the cost of the workshop and transport. All contributions should be paid using the ParentPay website. Please contact the office if you have any further questions about the trip.

Thank you for your continued support.

Yours sincerely

*M Smart*
